## Materials You'll Need

- A cardboard box
- A pillowcase or piece of fabric
- Scissors
- Tape or glue

## Instructions

1. Cut a hole in the side of the cardboard box, big enough for your cat to fit through. 2. Line the inside of the box with the pillowcase or fabric. 3. Tape or glue the fabric in place. 4. Place the cat bed in a warm, quiet place where your cat can relax and sleep.

## Tips

\* You can use any type of cardboard box, but a larger box will make a more spacious bed. \* If you don't have a pillowcase or fabric, you can use an old towel or blanket. \* You can decorate the cat bed with your cat's favorite toys or treats. \* If your cat doesn't seem to like the cat bed, try moving it to a different location or adding some additional padding.

Making a cat bed is a great way to save money and give your furry friend a comfortable place to sleep. With a little creativity, you can create a bed that's perfect for your cat's needs.
